

2017 Cleghorn Harvest Fest Crafters and Farmer's Market

Saturday, September 9, 2017
9AM to 5PM

Thank you to all of our returning vendors and welcome to the newcomers.

What's new for 2017?

This isn't new but we will be keeping the crafter's/vendor's/farmer's market area the same as last year. We have had many people asking for us to have this area for 2 days, like we did in the past. In looking at the layout and the activities that are taking place on Sunday, we have not found a good location or a way for us to have it during the car show. We will continue to search for a way to provide this on Sunday but until then we will still have it for just 1 day. If you have any suggestions, please bring them to my attention so we can look at the options for next year.
